Veterans Day

VETERANS DAY CELEBRATION—Bay High School's band marched down Main St. in Tuesday's Veterans Day parade. Mrs. J. F. (Polly) Green adjusted the costume of her 10-year-old daughter, Deborah Ruth (top right). Deborah, a member of the American Legion Junior Auxiliary, was the youngest person marching. Her father is a member of Bay St. Clement R. Bontemps Post 139 and sergeant at arms of the Legion state department. Boy Scouts and Cub Scouts also marched in uniform. Also represented were Girl Scout and Brownie troops. From across the bridge came the band of Ocean Springs High School (below right).

Parade Marks City's Tribute To Veterans

Veterans Day was celebrated with a 10-block long parade through the city to the courthouse where ceremonies were conducted by Clement R. Bontemps Post 139, American Legion state department. The celebration ended Tuesday night in a Departmental Committee Moore.

Green, member of the local post and Miss department sergeant at arms, was principal speaker. He was followed by a group of local post members, including participation in Boys' Life, Boy Scouts, civil defense, junior baseball, school band and the annual Legion Christmas party. He added that he always is willing to have a color guard when one is available.

Members of the Women's Auxiliary were lauded for their devotion in Girls' State and Scout work. Mr. Green thanked the audience that six members of the local post were members of national Legion committees.

The ceremonies began with an address by the Rev. Adrian Under, assistant pastor of Our Lady of the Gulf Catholic Church. Following address by Mayor W. J. Stanway was followed by selections by the Bay High School band and the Keesler Air Force Base drum and band.

The Rev. Edward Morren, pastor of the First Presbyterian Church, has issued a cordial invitation to all members of the church and local residents to attend a week-long series of services beginning Monday and continuing through Nov. 21, in the church, 138 deMontigny Ave.

The Rev. W. J. Stanway, pastor of the First Presbyterian Church at Hattiesburg, will be the minister. An outstanding member of the church is a member of the First Presbyterian Church at Philadelphia, Pa.

Rev. Mr. Stanway is a member of the Theological Seminary at Philadelphia, Pa.

Rev. Mr. Stanway is a member of the Theological Seminary at Philadelphia, Pa.

After Mr. Green's speech master of ceremonies Russell Elliott, 9th district commander, introduced Miss Myrna Quarterman, southeast district forestry queen. Special credit was given to Fred Fayard, chairman of the celebration. The benediction was given by the Rev. Charles R. Johnson, pastor of Christ Episcopal Church.

The American Legion color guard led the parade, which started at Bay High School and Ocean Springs High School and the Keesler drum and bugle corps kept the paraders in marching tempo.

Marching were members of local Boy Scout, Cub Scout, Girl Scout and Brownie troops; students of Bay High School, St. Stanislaus School, St. Joseph's Academy, Kiln School, Sellers School, Logtown School and Christ Episcopal Day School, and members of the American Legion Women's and Junior Auxiliaries.

A motorcade carried city officials and Miss Quarterman, units from the local National Guard brought up the rear of the parade.

At the dinner Mr. Moore praised the nearly 100 members of Post 139 present for maintaining the most active post in the state.

"Active community service is an indication of community progress," he said, "and this is what the Legion was established for."

Rogers Reinike received a past commander's pin from Vice-Commander Russell Elliott. Commander Warren Buehler presented to past Commander John Rutherford a 15-year membership pin.

Dr. Laurent Dickson was the first member of the local post to receive a gold lifetime membership pin. Lucien Kidd made the presentation.

Commander Buehler introduced officers of the post and Mr. Rutherford reviewed the history of the post, beginning with its organization in 1920, and explained the function of the American Legion to new members.

Mailing of Christmas Seals In County Scheduled Friday

Envelopes containing 200 Christmas Seals will be mailed Friday to 1,000 Hancock County families, Mrs. Stella Gex, chairman of the Hancock County Tuberculosis Assn., said today. Recipients of the envelopes are asked to contribute as much as they can in return for the seals, Mrs. Gex said. However, she said, the seals carry no obligation and may be returned to the Association.

The Christmas Seal campaign, Friday through Dec. 15 this year, is the only fund raising drive operated by the association, Mrs. Gex added. Contributions are used to provide free mobile unit chest x-rays to county residents. Persons who are unable to par-

Railroad To Be Asked To Help in Repairs

Road Closing Order Lifted

Hancock County Board of Supervisors agreed Monday to reverse an order made in 1953 which effected closing of the road between Ansley and Claiborne.

After deciding that the road was legally public, the supervisors agreed to ask the L and N Railroad to help provide for repair of the road and building of a cattle guard along the road.

Pat McGinty, Railroad employee working on the Pearl River drawbridge, told supervisors the railroad workers could park 2 1/2 miles closer to work by using the road. He added that the road had been a public one before the closing.

The reversal was approved on grounds all property owners had not been duly consulted and notified of the closing order and that the road had been a public road by prescriptive right before the closing.

Mr. McGinty appeared Monday and at the Nov. 3 board meeting to ask that the road be opened. Also present Monday were James B. Redding, property owner who said he had not been consulted before the closing, and did not favor the closing. (Please Turn to Back Page)

Results of Election Accepted Officially

Waveland city election returns were accepted officially Nov. 4 at a meeting of the Waveland Democratic Executive Committee. Mrs. Fred Bourgeois, president of the committee, said members voted to accept the tally sheet without opening the ballots.

Participants in the mobile unit x-ray program may receive chest x-rays at the health department with a charge of \$1 for those who are able to pay.

Other services provided by the county association include deflation of the lung and transportation to a sanatorium. Costs of care at the sanatorium are paid by the state association.

Half of the money collected in the county is used here and half is sent to the state and national associations, Mrs. Gex said. Last year county residents contributed nearly \$750, she added.

"We have great hopes for this year's campaign," Mrs. Gex said, "but we still need volunteer help in addressing envelopes and folding letters."

Preliminary Plans For More Schools Receive Approval

Preliminary plans for a proposed \$240,000 expansion of the Bay St. Louis Municipal Separate School System were accepted by members of the school board of trustees Tuesday night.

Board members then petitioned members of the city commission, who were present at the meeting, to begin setting up machinery for a \$185,000 bond issue, to be placed before voters by mid-December.

Superintendent Joe D. McCulloch explained that \$55,000 would be given to the school system by the state educational finance commission if the bond issue was approved. Waveland Mayor Garfield Lader also attended this meeting.

The preliminary plans, designed by Gulfport architect Charles Proffer, of the firm of Kuykendall and Proffer, include a 16-classroom, \$185,000 elementary school building, to be erected on the 29-acre Dabbar Ave. site owned by the school system. Total area will be 16,774 square feet.

A \$40,000 four-classroom addition to the Valena C. Jones Negro school.

A \$12,000 kitchen addition to the Waveland school.

"These plans call for lasting, good construction," Mr. Proffer said. "However," he added, "although the building and additions will be very attractive, they contain no costly extras and are in fact the essence of simplicity."

Mr. Proffer told board members at the Nov. 6 meeting that the plans had been approved by the state educational finance commission. At that meeting members approved a motion by Maurice Artigues to consider the plans until Tuesday night.

At Tuesday night's meeting members asked Superintendent McCulloch and city commis-

sioners to contact T. H. Naylor, chairman of the educational finance commission, to determine whether the \$55,000 available for the Bay St. Louis school system definitely would be granted if the bond issue was approved by voters.

Mr. Naylor told Mr. McCulloch Wednesday morning that the funds would be granted if the bond issue was approved.

Mr. McCulloch explained that funds are granted on a basis of apparent need after the bond issue is approved by voters and the plans are approved by the commission.

Earlier Tuesday night members of the Bay St. Louis Parish Teacher Assn. heard a resume by Mr. McCulloch of the expansion plans. During a discussion which followed, PTA members enthusiastically agreed to aid in promoting passage of the bond issue.

Hospital Board Sets Election Friday Night

Hancock County Hospital board of directors delayed election of officers, scheduled for Tuesday night, until Friday night because of the absence of newly appointed board member Charles Lavinghouse.

Mr. Lavinghouse, who lives in Beat 3, is a farmer and operator of a feed trucking business. He was appointed Monday by Hancock County Board of Supervisors to fill the place of board member Frank Shaw.

The board already had agreed to recess the meeting when board member Hubert Thigpen said that if the presidency was going to be alternated between members, then all offices should be alternated.

Turning to Sam L. Favre, attorney for the board but not a member of the board, he said, "I'll alternate with you. I'll step right down with you."

Mr. Thigpen was reminded that Mr. Favre was not a board member and therefore not an officer of the board. "There's nothing for you to alternate," T. T. Reboul Jr., treasurer of the board, said.

Norton Haas, president of the board, said, "I believe the board had said at a previous meeting that it would unanimously elect Hubert (Mr. Thigpen) president of the board."

The only two official presidential nominations have been that of Mr. Thigpen for the reelection of Mr. Haas and that of Mr. Reboul for K.W. Peppardene.

Fund Drive To Aid Night Jailer Beaten By Two Escapers

Hancock County, Bay St. Louis and Waveland officials have endorsed a declaration of their support of a campaign initiated by six Waveland residents to raise funds to defray hospitalization and medical expenses of Deputy Sheriff Toney Bourgeois, night jailer who was injured seriously by two prisoners who escaped Oct. 24 from Hancock County Jail.

Mr. Bourgeois has been confined to Hotel Dieu, New Orleans, since the two prisoners, both AWOL from Ft. Carson, Colo., brutally beat him and escaped in his car to Oklahoma City, Okla., where they were captured by FBI authorities.

Although his condition is improved, Mr. Bourgeois still will require prolonged hospitalization.

The officials' declaration says, "this fund raising drive is most deserving of the full cooperation and assistance of all the people in our community."

It is signed by Garfield Lader, mayor of Waveland; Cornelius K. Herlihy, Waveland 2nd ward alderman; Nolan S. Lader, justice of the peace; J. Cyril Glover, city commissioner; Warren E. Traub, city commissioner; John A. Scatfield, mayor; Jack Lott, president of Hancock County Board of Supervisors; Charles Russ, Beat 1 supervisor; R. G. Hubbard Jr., Beat 3 supervisor; Johnson Shaw, Beat 5 supervisor; A. C. Mitchell, Hancock County Clerk of Courts; Sylvan J. Lader, sheriff; E. E. Breland, Hancock County superintendent of education, and Claiborne J. Lader, tax assessor.

Two Attend Services

Mr. and Mrs. A. N. Grass of Waveland attended the funeral Nov. 6 at New Orleans of Mrs. Grass' uncle, Frank E. Bourgeois, who died Nov. 2 at New Orleans. Mr. Bourgeois was the brother of the late Mrs. John Feldman, for many years a resident of Waveland. He was executive assistant for New Orleans Public Service Co. and an active worker in the field of civic development. He was an honorary life member of the Mississippi Valley Organization.

Minstrel Show To Include Songs, Dances, Surprises

Something a bit different will be offered to residents of Bay St. Louis Nov. 21-22 when "The Pink Horse Cabaret," a gala minstrel show, will be presented in Bay High School auditorium. Sponsored by the PTA of Christ Episcopal Day School, the show's cast is comprised of amateur and professional talent. A variety show of two acts, the minstrel is packed with songs, dances and jokes and several surprise acts.

Mrs. Frank Kiefer is producer and director of the show and is prominent for her participation in local theatrical productions.

Tickets may be obtained from members of the PTA and are priced at \$1.50 for adults and 75 cents for children.

The cast includes Don McCulloch, Peggy Bell, Charles Carter Jr., Philip Allison, Davis Martin, Carol Johnson, Dora Manning, Carleen Garvey, Alice

Maurigi, Caroline Maurigi, Ann Bryant, Jack Bryant, Paul Lane, Howard LeTissier, Joseph Cole, Charles Lampe, Dona Wiggins, Nita Kay Erwin, Conrad Minnifrey, Lillian Kalmbach, Patsy and Bobby Fayard, Joyce and Paul Raymond, Mayor John Scatfield, Marcia Blaise, Ed Laroux, Lucy Grantham, Huey Ezine, Mark Solomon, Myrtle Schaff, Harriett Ward, Imogene Allison, Norman Hall, K. W. Peppardene, Lil and Bill O'Connor, Sidney Woods, Henry Gustine, pianist, assisted by Mrs. Henry Gustine.

Chairman of backdrop is Rita Lorenson; light, Camille Shadler; and J. W. Watts stage sets are being designed by Barbara Outley; songs, arrangements, radio, light, costumes, Rose Wagner; choreography, Dot Russell.

PTA representatives are Gladys Kimball and Rita McCulloch.

Everybody's Business

The labor unions, naturally and properly, are deeply interested in electing to office persons who share their views and their legislative aims. They work in behalf of such candidates on a day-in-day-out, year-in-year-out basis, all the way from the grass roots to Washington, D. C. The AFL-CIO Political Education Committee is an outstanding example of this kind of labor activity.

Business groups also are deeply interested in electing to office persons who share their views and their legislative aims. But this interest, up to now, has been insufficiently reflected in action. For the most part, businessmen have kept aloof from politics—to their loss and peril.

Of late happily, a number of business organizations and leaders have been commenting on this failure and have been issuing calls to action. For example, Rowland Jones Jr., head of the American Retail Federation, says: "Businessmen have long neglected their responsibility in the arena of political affairs. As a result, legislation and government administrative actions have increasingly threatened business and damaged our economy. There is no remedy but for businessmen to take a direct and active part in politics." To take another example, the president of Gulf Oil Co. has called on business to organize a "matching force" against labor's political work.

If only one side to great controversies is successful in making itself effectively heard and felt, decisions affecting the lives and fortunes of everyone will go by default. Here is a situation where business can take a page from labor's book. Politics today is everybody's business—and everybody's responsibility.

Slaves Had 'Security'

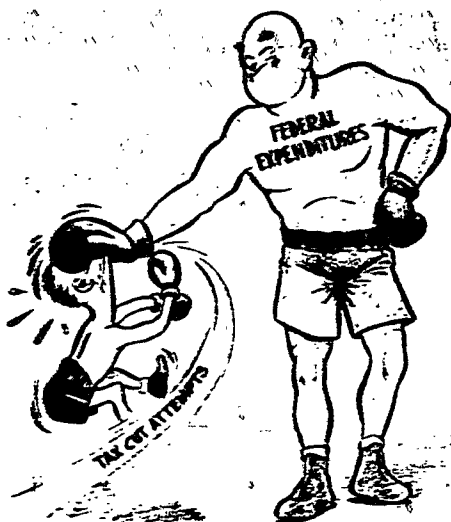

The following editorial is reprinted from the New Plymouth, Idaho, Valley Sentinel:

"We used to put a pretty high price on freedom in this country. As the settlers headed west for the privations and hardships of months of crawling, dusty travel, all they asked of government was to keep foreigners out of their hair while they fought off the Indians, starvation and any other obstacle to their freedom to make and build a life in a new land.

"Today we seem to be willing to piddle away this freedom for 'security,' from hunger, want and hardship guaranteed by government.

"We forget that the plantation slaves of the South had all these things we prize so highly today as long as they had kind, benevolent masters. The only price they paid for it was their freedom.

"We, too, can have complete security at the same price but who can guarantee that our masters will always be kind and benevolent?"

Flyweight vs. Heavyweight

the American Way

By M. V. EGLESTON
POPE LEO XIII ON SOCIALISM

With the death of Pope Pius XII, and the selection of his successor having occupied the front pages of our newspapers for the last few weeks, it might be well to quote what one of his predecessors, Pope Leo XIII, had to say regarding socialism. Said he in part in his Encyclical Letter, "The Condition of Labor," regarding the interference of the state into the affairs of the individual and family:

"Such interference is not only unjust, but is quite certain to harass and disturb all classes of citizens, and to subject them to odious and intolerable slavery. It would open the door to envy, to evil speaking and to quarreling; the sources of wealth would themselves run dry, for no one would have any interest in exerting his talents or his industry; and that ideal equality, of which so much is said, would, in reality, be the leveling down of all to the same condition of misery and dishonor.

"Thus, it is clear that the main tenet of socialism, the community of goods, must be utterly rejected; for it would injure those whom it is intended to benefit, it would be contrary to the natural rights of mankind, and it would introduce confusion and disorder into the commonwealth. Our first and most fundamental principle, therefore, when we undertake to alleviate the condition of the masses, must be the inviolability of private property."

Letters To the Editor

To the Editor:

In gratitude for the care given me by the staff at the Hancock County Hospital I feel impelled to express myself publicly.

It was an emergency case and they met it with swiftness, efficiency and real kindness.

The atmosphere is not that of an institution but a homey friendly one which has left an indelible impression upon me. The food was excellent and the snacks between meals made me feel as though I were onboard ship.

I heartily congratulate all who are responsible for my memorable experience there.

Mrs. Nina Parks Schell

Attorneys Suppress Analysis Of Red Tactics and Objectives

By JOHN T. FLYNN
Author, Lecturer, Radio Commentator

I assume no intelligent American now needs to be told that the Supreme Court of the United States, in a long string of decisions, has given a new lease on life to the communist conspiracy here. You need not take my word for this. The communists themselves are now among the staunchest defenders of the Warren Court. But this whole shocking situation has had strange repercussions in some very unusual places.

For instance, you would expect that the group of people who would be most concerned about the Supreme Court's unconstitutional acts would be the lawyers of America. A great number of them are banded together in a well-known and even distinguished organization called the American Bar Association. The American Bar Association—or ABA, as it is often called—is the membership organization of the attorneys of the United States.

The American Bar Association has a Special Committee on Communist Tactics, Strategy and Objectives. This committee is made up of a group of distinguished lawyers. Its recent chairman was Peter Campbell Brown, corporation counsel of the City of New York. This past summer, the American Bar Association held its annual meeting. Mr. Campbell's committee had been working for a long time on a report covering the subject which the committee was named to study—communist tactics, strategy and objectives. It submitted this report to the annual meeting of the ABA.

The report is a masterly analysis of communist strategy and tactics here in America, and the manner in which communist objectives are being put over on us. The analysis is not hearsay or opinion. It cites chapter and verse—in other words, gives complete authority for every startling statement it makes about the insidious of the communist conspiracy in the United States. Most important, it summarizes no less than 20 decisions—the majority of them rendered by the Warren Supreme Court—which aid and abet these communist tactics. And it winds up with a list of sane and sober recommendations designed to save America from the communist conspirators.

Now what happened to this eye-opening report, put together by a group of distinguished attorneys, when it was submitted to the American Bar Association? The amazing answer is—nothing. Nothing at all was done about it. Not only that, but it looks as though somebody or some group in the ABA actually attempted to suppress the report. Somehow or other a few copies got around. Senator Bridges of New Hampshire

shoveled it into the Congressional Record. Then people began writing to the American Bar Association for copies. And they got them, but a very strange answer. They were told that "any release of the report was premature" and that "copies are therefore not available for distribution."

The kindest explanation I can make of this action is that the minds of some powerful members of the ABA have been perverted by the baleful notion that the Supreme Court can do no wrong and is therefore above criticism. If this is true, it is one more indication of how far we have strayed from our traditional concept of a government for free men. The word "supreme" in the phrase "Supreme Court" means simply that the court is the highest tribunal in the federal court system. It does not mean that its members are supreme over Congress, the President, the states and the people. It was this very notion—the notion that the "king can do no wrong"—which the founders of our republic wanted to kill for all time in America.

At any rate, I hope it was this—an effort to protect the Supreme Court from criticism—which accounts for the American Bar Association's odd behavior, and not something worse.

America's Future, Inc., a non-profit educational organization, has had the patriotism to reprint the report and make it available to any interested American. If you would like a copy—just write to America's Future, Inc., 542 Main Street, New Rochelle, N. Y. Ask for a copy of the ABA Report and enclose 10 cents to cover cost of printing and postage.

MUSTARD BOWL.—The Red and White teams of Christ Episcopal Day School fought to a 19-19 tie Saturday in the Mustard Bowl, junior high football classic. The game, an annual event, drew a large crowd to the grounds of the Episcopal parish house on S. Beach St. The youngsters played eight-minute quarters. Officials were Ted Glassman, Don McCulloch and Bill Watts.

bay hi news

Junior Activities Discussed at PTA

Junior class activities were discussed by junior class representative Lynn Hall at Tuesday night's PTA meeting. She presented the class officers, Barry Stevens, president; Floyd Christy, vice president; Myrna Quarterman, secretary, and Carol Johnson, treasurer. Red Cross representatives for the junior class were recognized. They are Bill Wams, Bobby Jo Walters and Tommy Johnston. Steve Wilson, senior, and Myrna Quarterman, junior, recently appointed as Bay High's representatives to "Teens Against Polio," were introduced to the assembly, and Steve outlined the group's plans for this year.

The "Seven Teens," a singing group organized by Miss Peggy Jo Bell, music instructor, provided two musical selections. They sang "Sentimental Journey" and "Wonderful Copenhagen." The girls, assisted by Miss Bell at the piano, were Carol Johnson, Ann Bryant, Alice Maurigi, Carleen Garvey, Diana Manning, Caroline Maurigi and Betta Martin.

The Rev. Charles R. Johnson delivered the devotional and a brief spiritual message. The business session of the PTA was conducted by M. L. Hill, president.

Veterans Day Essay

Dana Sellier, student in Mrs. F. Bryant's fifth grade, has written a short essay on "The Reason for Veterans Day." Dana's essay shows that fifth graders often feel the spirit as well as the significance of such an occasion.

The essay: "The reason for Veterans Day is to honor the soldiers that fought for America and freedom, to honor the soldiers, sailors and Marines who fought for our country. We honor them for bravery and courage in every way. We honor the wounded, the dead and the living for all their courage. We honor those who served our country. They are honored by thousands of people all over the United States of America."

"I enjoyed the parade and was very proud to take part in it. I hope this will be a day everyone will remember always, and remember always the soldiers of the wars."

FHA Sets Meeting

Future Homemakers of America from Block 111 Subdistrict C will hold their fall subdistrict meeting Saturday at West Junior High School.

Gayle Parker, subdistrict secretary and president of Bay High Chapter, will preside during the subdistrict roll call.

"To Promote International Good Will" is a FHA goal and also the theme for the program Saturday. The Bay High Chapter, sponsored by Mrs. J. E. Erwin, will conduct a panel discussion, "Promoting a Better Understanding of Our Neighbors." The panel will feature Lizbeth Fenz, Austrian exchange student, and Utride Winckelmann, German student. The panel will consist of Edith Traub, Virginia Brelan, Aline Hobbs, Vidalia Schultz and Gloria Kimmel.

Mrs. C. C. McDonald Sr. will address the group "Promoting International Good Will."

Aptitude Is Tested

Scholastic aptitude tests have been administered to all 9th and 10th grade students by the guidance teacher, Miss Alma Parker. The results of these tests will be helpful to the faculty members in working with these students.

Pep Squad Praised

Carol Johnson and Diana Manning are to be commended on the wonderful job they have done in training the "Pep Squad." The girls have cooperated with Carol and Diana to make this undertaking a success. They all have had fun practicing and performing with the Bay High Band.

Seniors Order Rings

"For 12 years I've just waited for this day," was the comment reverberating all over the building as the seniors went carrying into the balcony Friday. The announcement, "THE RING MAN IS HERE," had just come over the loud speaker. Surprisingly the seniors reacted in agreement on which ring to select very neatly. The usual laughing and arguing over the choice was conspicuous only by its absence. So happy was the class that the time had come for that important decision that only two votes had to be taken before the selection of the ring yellow gold in a military finish with a blue stone and the Bay High crest.

Cage Prospects Good

Now that the football season is over all thoughts are turned to basketball. Prospects for both the Tigers and Tigerettes are very good this year.

Bay High Tigers and Tigerettes

Bay High Tigers and Tigerettes will open their season on Nov. 20 in the Savannah tournament. The girls will play Harrison Central at 6 p.m., and the boys will meet Vancleave at 7 p.m.

Included on the girls squad are Catherine Allison, Alice Maurigi, Junie La Fontaine, returning lettermen, Virginia Brelan, Pat Kennedy, Arlene Ladner, Vidalia Schultz, Berdie Dawsey, Neil Russell, Iva Neil Salven, Beverly Schindler, Ann Morreale, Freda Perniciara, Elaine Sones, Edith Traub, Gloria Kimmel, Coach Lauphere also will keep six freshmen: Jeanette Santinelli, Gloria Dawsey, Paula Crider, Jo Ann McCulloch, Peggy La France and Marie Givens.

Boys on the squad are Greg Necaise, Paul Miller, Marks Wilkinson, Tommy Godwin, Bert Taylor, Barry Stephens, Bill Wams, Lester La France, Milton Bernard, Woody Allison, James Mayfield, Jeff Schultz, Leo Greco, Larry Brelan, Tommy Johnston and Paul Henley.

The schedule: Nov. 20, 21, 22, Savannah tournament; Nov. 25, Carriere, there; Dec. 2, Pass Christian, there; Dec. 5, Perkins, there; Dec. 8, S.J.A. (girls only), there; Dec. 9, Biloxi (boys only), there; Dec. 12, Ocean Springs, here; Dec. 16, open (to be filled); Dec. 18, 19, 20, Lumberton tournament.

Jan. 6, Perkins, here; Jan. 9, Long Beach boys and S.J.A. girls, here; Jan. 16, Carriere, here; Jan. 18, Pass Christian, there; Jan. 21, 22, 23, 24, Bay High tournament; Jan. 27, Biloxi, here; Jan. 30, 31, De Soto tournament.

Feb. 6, Ocean Springs, there; Feb. 13, 14, subdistrict tournament; Feb. 17, St. Martin, there; Feb. 20, 21, district tournament. All home games begin at 7:30.

Pictures Impress Exchange Student

Lizbeth Fenz, exchange student from Austria, has seen many "pictures" since coming to America and living in Bay St. Louis. One of these "pictures" which impressed her most was the photographing of students from the 1st through 12th grades this week. The Austrian girl said she never had heard of this being done. She was fascinated and even a little alarmed at the conclusion and the principle. Lizbeth is a journalism student this year, and her reaction to this American custom was expressed in a feature article which she wrote in her journalism class. The story:

SMILE PRETTY, PLEASE

By Lizbeth Fenz

"Where is the big hand mirror?" "Does my hair look all right?" Questions like these could be heard all over the auditorium of Bay High School Monday afternoon when students assembled to take their annual school day pictures. But certainly the most excited group of all was the senior girls.

The question of lip stick—much or too little—the luster of one's hair—for photographic purposes, of course—were paramount in the minds of these girls. "Mary, you don't have any lip stick on your lower lip," said Pat Kennedy, senior, to Mary Henderson. "I haven't put on any yet," was the quick answer. "I'm not going to have my picture taken at all." "I'm just not photogenic," "I look horrible when I smile," "I've had my hair in curlers since last Saturday, and it still doesn't look right."

Exclamations of despair like these sounded throughout the whole room. But not enough. After sweaters and pearls had been swapped around at least a hundred times, the climax of the day came. Everyone had a chance to put on the beloved cap and gown. Then the walls started again. "This cap doesn't look good on me," "The gown should be pressed?" "The collar keeps flipping up." "What should I do with my pony tail. The cap won't fit."

And so on and on. Is picture taking really such a torture? It sounds like it. But take it easy. You only graduate from high school once. As soon as the pictures were snapped, and the seniors had settled down to comparative normalcy, remarks like—"Make sure to give me your picture," and "O.K. but I want one of yours, too" could be heard.

And so the seniors went back to class. Picture taking was over. In three weeks the finished pictures will arrive at the school. And the remarks will fly again. "Can this be ME?" Look at my hair. Your picture looks great. "I wonder if I can have mine taken again..."

Junior High Football

"The Junior High football club has played four games to date. This Thursday gridders will end their season against Gulfport," Wilmer Seymour, coach, said. "So far this season we have played Piquette, Stanislaus and Gulfport. We tied Piquette 20-20 in our first game and were recalled to play again. Unfortunately, we did not win this game. We dropped the game 14-7, which was the first game we have lost all year with both ball clubs. We defeated Stanislaus 12-0 which was the most important victory of the season. Next we played Gulfport on a Sunday morning, which was an excellent morning for this game. We won this game 53-6. Games with East and West Gulfport have been postponed or cancelled."

"Our other football team composed of eighth graders and down has an undefeated record. Our first game was with Kih whom we defeated 25-6. Our next victory was over Christ Episcopal 19-6. The third game was with Kera's school 8-0. The last game to date was with Lake shore whom we defeated 27-6. All in all I think this has been an excellent season," Coach Seymour said.

Assistant coach of the teams is Eugene Ladner, Manager and coach of the eighth grade down team is Manuel Maurigi.

Faculty Photographed

Carl Gustafson, senior, and staff photographer for "The Student Friend" and the much anticipated Bay High yearbook, "The Tiger," has been busy recently making photos of the school faculty. The seniors have been coming to school all morning up and looking like real fashion models.

Harrison County Bar Group Honors Chancellor Russell

A resolution honoring the late Eighth District Chancellor Daniel Monroe Russell of Gulfport, who died Aug. 30 at the age of 67, was adopted Monday by the Harrison County Bar Assn.

Members of the chancellor's family who were present for the commemorative ceremony held in the county courthouse at Gulfport were Dr. and Mrs. T. H. Bickelstuck of University, Miss. Mr. and Mrs. Dan M. Russell Jr. of Bay St. Louis; Mr. and Mrs. Paul M. Friske of Gulfport and Rich Russell, a brother, of Magee.

Oil Well Goes To 9,000 Level

Drilling is below the 9,000-foot point and continuing without complication on the wildcat, Marshall R. Young No. 1 Neshoba County school lands, So. of Sec. 36-66-15W, Kelly Young, son of Marshall R. Young, has reported.

The drills are scheduled to go to 10,000 feet, the depth of the Cuyana Sands, which already are producing oil for four other Hancock County wells owned by Marshall R. Young.

Kelly Young added that more complete information on the well's progress cannot be released until drilling is completed.

County Age Dairy Tips

When dairy herd ready for milking, sell unproductive cows at best prices. If you are going to sell, you are going to sell. It is advanced lactation and not yet safe to produce cows, cows with udders, cows with udders and those produce below the head average.

plenty of hay and silage and feed a balance ration to production. You can save hay eaten by feeding six times a day - in hay cows eat more and

the cows protection from damp weather. Good hay on bad days will pay dividends and help hold up

is the cheapest part of the dairy program. It is the cheapest part of the dairy program. It is the cheapest part of the dairy program. It is the cheapest part of the dairy program.

the dairy herd on a ration of silage and realize that you should make from a dairy program.

Benefits of Liming

Liming the soil to the depth of 6 inches makes more phosphorus available for growth and offsets acid formation of applied nitrogen. Liming can furnish calcium and magnesium for plant growth. Liming helps increase the beneficial bacteria in the soil. Liming helps produce more stands and makes the crops more vigorous.

Liming apply 4-5 pounds of its equivalent to each acre bearing bush or plant, especially less for younger trees. Liming should be applied around the base of the tree out beyond the extent of branches and mixed somewhat with the soil as an early spring

Liming properly or a good job of fertilizing trees it is necessary to apply application of fertilizer. This is true because citrus trees what we call three growth each season.

Drivers' Licenses Of 35,000 Expire

State Public Safety Commissioner Tom Scarbrough has warned that approximately 35,000 driver licenses which expired Sept. 30 have not been renewed.

He urged motorists to check the expiration date of their license.

In the past, IBM punched renewal reminders have been mailed to license holders warning of the approaching expiration of the license. The Highway Patrol has forced to abandon this service for economy purposes.

Commissioner Scarbrough said 175,000 more driver licenses will expire Dec. 31. Persons with licenses expiring in December may start renewing them now.

Bright Yellow Rules New Hunting Clothes

Bright yellow is the dominant color this year in cotton twill hunting pants, vests and jackets. These clothes are intended to make the hunting season not only brighter, but safer. Tests show that yellow is four to five times ahead of any other color as the one most easily seen and correctly identified. The cotton fabrics used in the hunting garments are dyed so the yellow will stay strong and true through all kinds of weather conditions.

County Agent Notes

Dairy Tips

As the dairy herd ready for winter, the best prices are being offered for the best quality of milk. The best quality of milk is produced by cows that are healthy and well-cared for. The best quality of milk is produced by cows that are healthy and well-cared for. The best quality of milk is produced by cows that are healthy and well-cared for.

For Golden Rain and Mimosa trees use 4 pounds of 8-8-8 or its equivalent for each inch in trunk diameter as an early spring treatment applied uniformly around the base of the tree out beyond the extent of the branches and mixed somewhat with the soil.

Reports indicate considerable difficulties have been encountered in using New and Improved Black Leaf 40 as a source of nicotine in copper sulfate - nicotine sulfate drench for sheep.

The old Black Leaf 40, without the spreading or wetting agent, is still available and should be used, if this copper sulfate - nicotine sulfate is used as a drench.

But experiments show that phenothiazine rids sheep of more worms than any other dewormer on the market, so there is no reason to use the copper sulfate-nicotine sulfate mixture. But if it is used, use the old standard Black Leaf 40.

Further information and application forms may be obtained from the board of U. S. Civil Service Examiners for the Veterans Administration, located in the personnel office of the Gulfport VA Hospital, from the Bay St. Louis Post Office, or from the 5th U. S. Civil Service Region, 275 Peachtree Street, N. E., Atlanta 3, Ga.

For the WA-2 positions no experience is required. For the WA-3 positions three months of experience in food service work are required. These positions are restricted to persons entitled to veteran preference.

Cover Crop Suggested For Soil

Fitzhugh Lee, chairman of the Hancock County Agricultural Stabilization and Conservation Committee, reminds farmers that soil needs a cover to protect it from winter rains that cause erosion. In addition to protecting the soil from winter rains, it has been determined by recent experiments conducted at the Coastal Plain Experiment Station, Newton County, that a good legume cover crop will produce the same benefits to each acre as applying three sacks of ammonium nitrate. Mr. Lee said that in addition to the nitrogen obtained from the cover crop, experimental results show that the cover crop reduces soil loss by 25 per cent, adds humus to the soil, improves internal drainage and increases the water holding capacity.

G. W. Johnston Rites Are Held

George Wallace Johnston, 55, of Main St., died at 10:30 Sunday morning in his home. He was born Jan. 14, 1903. Survivors include his wife, Agnes Adam Johnston; five sons, Edmund G., Norfolk, Va., John H., New Orleans; Lloyd J., and Ronald A., both of Bay St. Louis; and Huey P. of North Carolina; a daughter, Miss Mary Margaret Johnston of Bay St. Louis; five brothers, Bill, Albert, Andrew and Richard Johnston, all of Bay St. Louis and Melvin Johnston of San Francisco, Calif.; five sisters, Mrs. A. P. Ramsey of Pascagoula, Mrs. Paul Egloff of Bay St. Louis, Mrs. Albert Adams and Mrs. Nicholas Borden, both of New Orleans, and Mrs. Carl Mannis of Detroit, and five grandchildren.

The body was taken to the Fahey funeral home where a wake was held Monday night. Services were at 2:45 p.m. Tuesday in the funeral home and at 3 in Our Lady of the Gulf Catholic Church. Burial was in Cedar Rest Cemetery.

Mr. Lee suggests that each year farmers plant approximately 25 per cent of their row crop land to a legume winter cover crop. By having only 25 per cent of the land devoted to cover crop, farmers may work the remaining part of their row crop land early in the spring and permit the cover crops to obtain maximum growth. This rotation also would result in each acre of row crop land having a winter cover crop once every four years.

Farmers are urged to give immediate consideration to planting cover crops since they must be planted not later than Dec. 1 for maximum results. Though the agricultural conservation program the government offers to share the financial cost of purchasing cover crop seed on a 50-50 basis with the farmer, those farmers who desire assistance through the agricultural conservation program for carrying out a conservation practice should contact the Hancock County ASC office at Bay St. Louis, to file their requests for government cost-sharing.

Dr. and Mrs. Evans Observe 50th Wedding Anniversary

Dr. and Mrs. James Allen Evans were married Nov. 11, 1908, in the First Methodist Church at Dresden, Tenn., and in observance of their 50th wedding anniversary, their children, Mrs. W. R. Pitcairn and

Mr. Evans Jr., of New Orleans, entertained in their honor at a large reception in the Evans home on N. Beach Blvd. Tuesday evening.

The reception rooms of the home were decorated with profusions of yellow and gold autumn blooms and in the hall of the home where the receiving line was formed in front of a large French mirror, an heirloom in Dr. Evans' family, a tall arrangement of yellow chrysanthemums was placed on a table in front of the mirror. Yellow candles in brass candlesticks flanked this arrangement.

For the occasion, Mrs. Evans selected a Dior blue Chantilly lace gown made on simple lines. The softly rounded neckline was scalloped in the flower motif of the lace and was trimmed with iridescent sequins. Gold jewelry set with amethysts accented the gown and she wore a corsage of yellow rosebuds and lilies of the valley.

A semiformal gown of pale pink net was Mrs. Pitcairn's choice. The dress was made with an off the shoulder decollete and a full skirt. She wore gold slippers and a corsage of pink sweetheart rosebuds.

Mrs. Evans Jr. chose a patio length frock of turquoise net with a matching stole. The dress was made simply with a Sabrina neckline. She also wore a corsage of pink rosebuds.

Assisting in receiving were Dr. Evans' five sisters, Mesdames S. L. Hollingsworth of Columbus, Mrs. T. C. Moody, Mrs. W. B. Thomson and Mrs. I. C. Dimmick, all of Lake Charles, La., and Mrs. S. F. Dobyns of Kingsport, Tenn.

Miss May Edwards was in charge of the guest register. She was groomed in navy blue Chantilly lace and wore a corsage of pink rose buds.

In the dining room, the serving table was covered with an imported ecru lace cloth and was centered with a large arrangement of yellow rosebuds interspersed with valley lilies in an antique crystal and gold bowl. The centerpiece was flanked by matching candelabra holding lighted yellow tapers.

At one end of the table was a large cake in the form of two entwined hearts. The cake was frosted in white and gold and at the point where the hearts joined, was trimmed with valley lilies and rosebuds of frosting. Ent-

DR. AND MRS. JAMES ALLEN EVANS

circling the cake were gilded ivy leaves placed on a wide net ruffle.

A silver coffee service was placed at the other end and the four corners of the table were trimmed with clusters of gilded grapes tied with gold ribbon.

On the sideboard was a silver epergne, an antique in Mrs. Evans' family, filled with yellow gladioli and roses. A similar arrangement was placed on the mantle in the dining room.

The punch table was placed in the living room and was decorated with golden leaves.

Relatives of the couple assisted in serving and included Mesdames W. E. Sampson, Kingsport, Tenn.; C. S. Garner, Bryan, Tex.; C. S. Pipkin, Beaumont, Tex.; Alfred Evans, New Orleans, W. L. Coats, Ft. Pierce, Fla.; C. C. Clark, Jackson, A. A. Hruschka, Labrador; H. L. Hutchinson, Lake Charles, Fred L. Prew, Washington, D. C.; Larry Tims, Crawford; Charles Tatcliff, Mobile, Ala., and the Misses Valda Pitcairn, Bay St. Louis, and Alice Hruschka, Labrador.

Displayed in an upstairs bedroom were items from Mrs. Evans' trousseau. She is the former Miss Valda Carline Boyd of Dresden, Tenn.

Sunday evening, Mr. and Mrs. Pitcairn entertained out of town

guests at a buffet supper in their home on Blue Meadow Rd. Yellow chrysanthemums trimmed the supper table and were used in profusion throughout the reception rooms of the home.

Mr. and Mrs. Dobyns and Mr. and Mrs. Dimmick entertained at a dinner party at a Henderson Point restaurant Monday evening. At noon Tuesday, Dr. and Mrs. Evans were hosts at a family luncheon in Hotel Reed.

Benefit Dinner Set By Altar Society

The Altar Society of Our Lady of the Gulf Church, at its November meeting, made plans for a benefit turkey dinner to be held in the parish house in rear of the church, from 11 a.m. until 2 p.m. Nov. 23. Dinners may be eaten in the parish house or taken out in plates provided for this purpose.

Turkey, all the trimmings and dessert will make up the menu for the price of \$1.

A large committee will be in charge with Mrs. B. F. Hille Sr. as chairman, Mrs. Stella Gex is in charge of ticket sales.

Tickets may be obtained from Mrs. Lawrence Jacob, 138 Main St., and Stevenson's, 126 Main St.

Blind Holes, Putts Tournament Is Won By Mrs. Wittmann

Pass Christian Isles Golf Club ladies' day blind holes and putts tournament was won by Mrs. Harry Wittmann with a net 18 and Mrs. Gertrude Perry who had low putts with 14. Other women playing included Mesdames Jackie Butkin, Ruth Bondy, Billie McWhorter, Opal Hagg, Earlene Russo, Nettie Riggan, Amy Graziani, Caryl Prentice, Yvonne Foley, Jane Borden, Pat Curran, Zell McMahon, Seal Johnston, Dorothy David, Nora Spence, Nancy Byrne, Laurie Poindexter, Louise Arceneaux, Joseph Walker and the Misses Ann Liverdage, Maud Frye and Julia Frye. Other women present for the lunch included Mesdames Iva Mae McDonald, Mary Winnard, Sara Sharp, M. M. Merritt and Ruth Polk. Mrs. Frances Griffin was hostess for the luncheon.

A meeting was held immediately after the luncheon and it was decided that the group has enlarged sufficiently so that each ladies' day tournament will consist of an 18-hole class and a 9-hole class, and prizes will be awarded in each class. Anyone who has a 30, or lower, handicap will compete in the 18-hole class. Those above may compete in the 9-hole class or the 18-hole class.

The Pass Christian Isles fourth annual invitational tournament will be held Saturday and Sunday, Saturday the course will be open for all who have registered and want a practice round. A barbecue supper will be held Saturday night for all entrants and guests.

Brunch Honors Miss Larroux, Mr. Kersanac

Miss Dorothy Larroux and Joseph J. Kersanac, whose wedding will be an important event of Nov. 22, were honored at a buffet brunch Sunday at New Orleans with Mrs. Richard Roth and her daughter, Miss Alyce Roth, as hostesses.

Miss Larroux selected a trousseau frock of black winter polished cotton fashioned with a high neckline and trimmed with a large bow in the front. The back of the dress featured a pleated skirt. She wore a gift corsage of white rosebuds pinned at one shoulder of the dress. Mrs. Larroux selected a dove gray crepe model accented with black velvet trimming and Mrs. Kersanac wore a gown of black silk.

The serving table was centered with an attractive dried arrangement. On a separate table was a silver coffee service.

The guests included members of the bridal party and a few close friends of the young couple.

Hospital Items...

ADMITTED
Nov. 5—Mark Montgomery, Richard Anthony, James Sharp.
Nov. 6—Mrs. Betty Lampton.

Son, Paul Mitchell, to Mr. and Mrs. James Mitchell Lampton, Aiken Rd., Waveland, Nov. 6 in Hancock County Hospital, Mrs. Lampton is the former Margaret Elizabeth Semmes.
Son, Russell William, to Mr. and Mrs. John Connell Ellis, Pass Christian, Friday, in Hancock County Hospital, Mrs. Ellis is the former Alicia Morrow Rollins.
Daughter, to Mr. and Mrs. Lee Madere Jr., New Orleans, Oct. 31, in Baptist Hospital, New Orleans, Mrs. Madere is the former Jean Glaser.

Kiln Students Are in Parade, Basketball Teams Win, Lose

Students of Kiln School marched in the Veterans' Day parade at Bay St. Louis Tuesday and attended a special showing of "The Ten Commandments" in the afternoon.

The students had practiced drilling and marching at the school for several days prior to the parade and bore a red and white banner identifying them.

Kiln students will go to New Orleans Saturday to appear on "Saturday Session," popular teen-age television dance show on WDSU-TV at noon, Jim Dunbar is emcee of the show.

After luncheon, a trip on the Steamer President up the Mississippi River will climax the day in the city.

The students will return to Kiln late Saturday evening. There are 22 couples who plan to attend.

Kiln boys scored an easy 66-43 victory over the Poplarville boys Saturday, in the filled-to-capacity Kiln gym.

Coach James Johnson started the game with McCoy Peterson, Lamar, John, Barney and Donald Necaise. Douglas Necaise, one of the first team boys, is benched because of an accident.

Lining up for Poplarville were J. Holden, F. Holden, L. Smith, W. Willoghly and R. Young. All of the boys got a chance to play in the last quarter.

In the first few minutes of the game both teams were really rolling—each team Kiln would make two points so did Poplarville. Because of the Wildcats' experience, they got underway with a score of 19-13 in the first quarter and kept getting ahead more each quarter.

Poplarville was in the lead only once in the first quarter with a score of 8-5. This was Poplarville's first game and an apparent lack of experience and practice seemed to hold them back.

Barney Necaise led the Kiln group with 21 points, while L. Smith was high scorer for Poplarville with 8 points.

Investiture Held At Seminary Here

In traditional annual ceremonies Nov. 1 at St. Augustine's Seminary, two brother novices were clothed in the religious habit of the Society of the Divine Word.

Brother Anastasius of St. Catherine's Parish, New Orleans, is the son of Mr. and Mrs. Clyde Johnson, Brother Patrick comes from Crowley, La., where his parents, Mr. and Mrs. Abraham Johnson, are members of St. Teresa's Church.

The Very Rev. Robert C. Hunter, S.V.D., provincial, presided at the ceremonies assisted by the Very Rev. Harold Perry, S.V.D., rector of the seminary, and the Rev. John Coady, S.V.D. The two brother novices have been assigned to work in the seminary office during their period of training and instruction. Once in vows, they will be eligible for assignment to foreign or home mission work.

Library Convention Attended by Mrs. Deal

Miss Louise Crawford, Mrs. Katherine Wilcox and Mrs. Thelma Morris have returned from Nashville where they attended the American Library Association's annual convention.

Highlighting the convention program were presentations by Jerome Cushman and Paul Deal, noted authors.

A number of social programs provided entertainment for delegates.
